

## Americana Traditional

The comprehensive solution for meeting, conferencing and training.

Americana Traditional is a classic collection that includes tables, media walls, credenzas, lecterns and visual products. Timeless craftsmanship and Nevers' unrivaled technology integration combine to provide solutions for high performance rooms.

Americana consists of the Original, Contemporary, Traditional and Laminate collections.

# Conference tables

The traditional collection features tables from 8 to 30 feet in three widths. Multiple shape, base, edge and finish options provide design flexibility. Superior conference solutions begin with a Nevers table.

NEVERS MEETING LINK™ IS A PROPRIETARY SYSTEM FOR INTEGRATING POWER, VOICE, DATA AND AV INTO THE TABLE. SINGLE OR MULTIPLE ELECTRICAL CIRCUITS ARE ACCOMMODATED. UNIVERSAL ADAPTERS PROVIDE CONNECTIVITY FOR ALL STANDARD IT AND AV COMPONENTS.
