

1-HOUR ONLINE CEU COURSE

Wood Veneer 101

IDCEC CODE: CEU-102524-R1
Course Value: 1 CEU credit

This presentation highlights the various applications of veneered wood products for commercial furniture. Attendees will gain insights into enhancing the beauty of natural veneer in their projects. It is relevant to corporate settings as well as Government, Civic, and Healthcare Administrations. Participants learn about different grain patterns, strengths and limitations of common American hardwoods.
