 NEVERS

W O R K I N S T Y L E

## Inviting. Current. Irresistible.

Nevers' RIO MADERA tables pare down contemporary commercial furniture to their purest forms. Though sleek and lithe, these meeting tables provide plenty of legroom space with the security of stainless-steel closed channel bases. LEEZA tops with their knife edge profiles and lustrous finishes further present a workplace draw for any meeting. RIO MADERA's unique live edge veneer brings affordable, lighter weight custom abilities to any commercial property.
