Terms and Conditions of Sale

For the latest version of our Terms and Conditions, please visit the Nevers website:
<https://www.nevers.com/about-nevers/terms-conditions/>.

Warranty

Nevers Industries, Maple Grove, MN warrants its products to be free from defects in material and workmanship for 10 years from the date of shipment to the customer.

To view the full language of our warranty, please visit the Nevers website:
<https://www.nevers.com/about-nevers/peace-of-mind-warranty/>.

General Specifications

Information on general specification is listed on the Nevers website:
<https://www.nevers.com/about-nevers/terms-conditions/>.

Rio Madera Specifications

Walnut Live Edge River Veneer (Code RW)

- RIO MADERA tables feature a centered live edge natural walnut veneer river.
- The live edge center flitch is made to order and not inventoried. Your RIO MADERA is hand-selected and prepared for your top. As it is presented as close as possible to its natural state, your table will be unique. *Nevers will not be able to pre-select exact patterns/contours/widths. Each top is a natural piece of art.*
- Each live edge log veneer is laid-in to be approximately 1/3rd width of the top. The remaining space is needed for the surrounding walnut veneer flitches.
- The veneer species and finish of RIO MADERA tables are limited to natural Walnut.
- RIO MADERA's top coat finish has a 20-degree sheen on both the river and the bordering walnut veneer flitches
- Delivery times of 8 weeks from the time of clean PO should be expected for production.

It is **HIGHLY recommended** you consult your Nevers Territory Sales Specialist before submitting a quote to your customer.

Edge Profile

The RIO MADERA only offers a live edge river with a waterfall on each end and wood grain on all four sides. There is no separate code necessary for the RIO MADERA edge when quoting or ordering.

Rio Madera (NO CODE)

Angled Metal Base Finishes and Codes:

Metal bases for RIO MADERA tables include polished steel and two powder coat colors (black and silver). It is possible to order powder coat bases in other colors. Consult Nevers directly for more information.

POLISHED (CR)

BLACK (BL)

SILVER (SI)

NOTE: COATED NATURAL STEEL IS AVAILABLE AS OPTIONAL. CONTACT NEVERS FOR DETAILS.

Angled Metal Base Layouts:

Angled table bases are designed and built for stable, sturdy performance. Nevers offers other configurations dependent on table length and width. Model numbers already include the correct number of bases required.

Power Options

Power option pricing and specifications may be found in the Nevers Power Option price list. You can download your copy from our website: www.nevers.com

Specifying

Orders for Nevers products are constructed from your submission of a string of codes in this price list (typically the codes should be separated by slashes). These codes are applied to quotes as well as to sales orders. The codes move from left to right describing the major elements of the product down to options and preferences.

Below is a general example of a RIO MADERA™ code string:

Model No. and Top Size	Finish Type (Veneer)	Table Height	RIO MADERA Top Code	Metal Base
O/TB1/04872	AM2	H30	RW	BL

Example of a Finished Code String: **O/TB1/04872/AM2/H30/RW/HB/BL**.
